

## Expensify Set to Join Russell 3000® Index

June 8, 2023

PORTLAND, Ore.--(BUSINESS WIRE)--Jun. 8, 2023-- Expensify, Inc. (Nasdaq: EXFY), a payments superapp that helps individuals and businesses around the world simplify the way they manage money across expenses, corporate cards and bills, today announced that the company will join the broad-market Russell 3000 Index at the conclusion of the 2023 Russell indexes annual reconstitution according to a preliminary list of additions posted May 19. Expensify is set to join the broad-market Russell 3000® Index, effective after the US market opens on June 26.

Annual Russell indexes reconstitution captures the 4,000 largest US stocks as of April 28, ranking them by total market capitalization. Membership in the US all-cap Russell 3000® Index, which remains in place for one year, means automatic inclusion in the large-cap Russell 1000® Index or small-cap Russell 2000® Index as well as the appropriate growth and value style indexes. FTSE Russell determines membership for its Russell indexes primarily by objective, market-capitalization rankings and style attributes.

"Everyone here is excited to be included in the internationally recognized Russell 3000 Index. This is a meaningful milestone for Expensify," said Ryan Schaffer, Expensify's Chief Financial Officer.

Russell indexes are widely used by investment managers and institutional investors for index funds and as benchmarks for active investment strategies. Approximately \$12.1 trillion in assets are benchmarked against Russell's US indexes. Russell indexes are part of FTSE Russell, a leading global index provider.
